

**FINDING PEACE
OF MIND**

..... IN A

LIFE PLAN COMMUNITY

**PARADISE VALLEY
ESTATES**

LIFE PLAN COMMUNITIES can be an ideal solution for a new generation of people looking to make the most of their retirement.

Today's Life Plan Communities satisfy retirees' lifestyle goals by:

- Promoting a healthy, active lifestyle
- Encouraging social connectedness and engagement with the surrounding community
- Offering multiple levels of healthcare on a single campus

*A Life Plan Community is
conducive to good living
and peace of mind.”*

- BILL TSCHUDY
PVE RESIDENT

By definition, Life Plan Communities offer the assurance of extended healthcare. But the most effective ones also ensure a high level of predictability in healthcare costs via a Life Plan agreement.

There are three types of Life Plan agreements:

- Type A (comprehensive)
- Type B (modified)
- Type C (fee for service)

PARADISE VALLEY ESTATES

is a **Type A** Life Plan Community.

This means we offer the most inclusive coverage for the cost of future healthcare services. It also ensures that a resident's monthly fee remains at a predictable rate over his or her stay within the community, regardless of the care level needed. This promised access to a continuum of care allows residents to age in place while enjoying a secure and fulfilling lifestyle.

Our continuum of care includes the following provisions:

- Assisted Living
- Enhanced Assisted Living
- Memory Care
- Short-Term Rehabilitation
- Skilled Nursing

In addition, the following healthcare services are provided onsite for convenience:

- NorthBay Clinic
- Therapy Services
- PVE at Home
- Home Health
- Hospice Care

Healthcare is only one variable in the happiness equation that Paradise Valley Estates works to solve daily. Our community is also filled with the social, wellness, sports, volunteer and leisure opportunities that can make retirement one of the most physically, intellectually and emotionally fulfilling phases of life.
