

PVE Educational & Vocational Scholarship Application

PVE Team Members;

Did you know that full-time team members in good standing who have been employed at PVE for one year, may apply for a scholarship generously funded by our residents?

You can complete a digital application by visiting: PVE Documents (F:) >> Intranet >> Staff Information >> Scholarship Application.

If you do not have access to the intranet, you can obtain a paper application from any reception desk.

Complete the form and turn in your paper application to any reception desk, or email it to PVE.Scholarship@pvestates.com.

—Good luck!
